KSIX Full Glue 2.5d Protector For Xiaomi Mi 10t Pro Tempered Glass 9h Black Edge (1 Unit)

DESCRIPTION

Screen protector for XIOAMI MI 10T PRO, Full Glue 2.5D. Protects your smartphone against scratches and bumps. The Full Glue screen protectors incorporate AB glue throughout the entire tempered glass and present an additional layer of glue on the black edge for greater adhesion and protection of the screen. Its resistance is level 9H, the maximum on the Mohs scale. It has high sensitivity and transparency. Its 0.3 mm thickness ensures a great touch sensitivity while maintaining all the benefits of the screen. It absorbs impacts and is resistant to shocks and falls, in addition to providing protection against breakage and scratch protection for the screen. It also has an oleophobic treatment, so it includes a layer of protection that repels grease, dirt, and liquids. KSIX is a brand from Atlantis Internacional. It has the largest collection of accessories designed to make the most of mobile devices. Each product is presented in a modern and attractive packaging, which stands out on any shelf. It offers personalized customer service and complete after-sales service.
