

DESCRIPTION

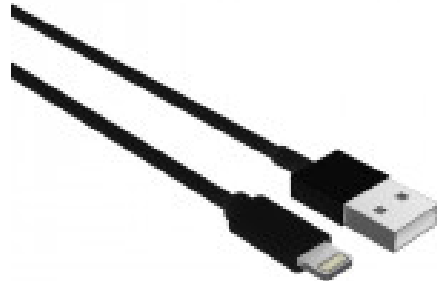

The Contact data and charging cable allows for charging and syncing Apple devices with a Lightning connector with the Contact Lightning cable. It is possible to combine it with a wall charger to connect cellphones to any outlet. It also allows for connecting directly to a computer, laptop, external battery, or any power source with a USB output.

Contact Made for iPhone / Made for iPad / Made for iPod cables are certified to work with all Apple devices, even after updating the iOS operating system.

Contact is a brand from Atlantis Internacional. It has a complete range of accessories for mobile devices presented in modern packaging at the most competitive price.
