Metallic strap for Xiaomi Mi Band 5/6, Black

DESCRIPTION

Strap with metallic design compatible with the latest version of the Xiaomi Smartband, MI BAND 6 and its previous model MI BAND 5, in black

Metallic design

Made of stainless steel and Zinc alloy that provide that elegant and metallic design. A highly durable material.

One-click installation

It is very easy to use, to install and to change. It's also easy to adjust thanks to its buckle strap system.

Colours to suit all tastes

This model of bracelet is available in other colours, making it easy to change depending on how you want to match it.
