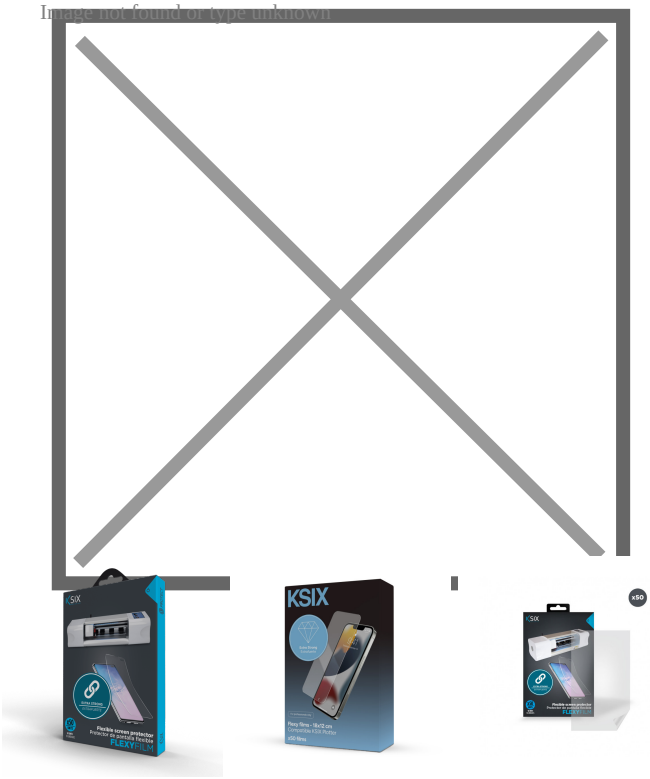
Pack 50 pcs Extra Strong Film Protector KSIX, Cutting Machine with COD loader

DESCRIPTION



Screen protector film, Flexy Film Extra strong by KSIX, with high resistance against any type of impact. The pack includes 50 units of 8x12 cm.

Higher protection against impacts

The Extra Strong screen protector film is thicker than standard film protectors, thus being stronger and easier to install. It has a higher impact resistance tested with drop ball test and is made of TPU.

Compatible with any terminal

Flexy Film is universal for screens whose dimensions are less than 18x12cm. Thanks to the KSIX Automatic Cutting Machine, customized screen protectors are obtained for any mobile brand or model as well as for any gadget.

About the Automatic Cutting Machine

The ideal solution for stores that want to optimize their space and avoid obsolescence or being out of stock at the same time.

Integrated app

With WiFi connection and an integrated App which works with a touch panel. This lets you set the cut according to the device.

Maintenance included

Its extensive database of mobile terminals, gadgets and Tablets is updated daily with the latest market developments. Therefore, brands and models of all different devices will always be available.

Profitable

Each hydrogel film brings a great margin that will quickly make up for the machine's cost. In addition, it allows you to save money as you won't need to buy a different protector for each device model.

2-year warranty and technical attention

The Automatic Cutting Machine includes a 2-year warranty as well as personalized advice from our technical and commercial staff, so that you can get the most out of it.
