Soft Case for Samsung Galaxy S23 Ultra, Anti-fingerprint, Rugged, Lightweight, Wireless Charging Compatible, Transparent

DESCRIPTION

The Flex Case compatible with Samsung Galaxy S23 Ultra made of TPU material is very flexible and fingerprint-free. It stands up to all circumstances and the most stressful days. Due to its transparency, the design of your smartphone will always be present and in the foreground.

Goodbye to scratches and scuffs

We know that this is a valued advantage when choosing a case. Thanks to its TPU material, which is characterised by its high resistance, you won't have to worry about the inevitable damage caused by daily use.

Lightweight and transparent design

This product has been designed to follow the trend without losing simplicity. Thanks to its lightweight design with a thickness of 1.2 mm and the fact that it is 100% transparent, your smartphone will always look its best.

Wireless charging always

This product adapts to the convenience of wireless charging. Forget about unnecessary cables. Its thickness is so thin that you won't have any difficulties with your smartphone sensor when charging with a wireless charging pad.
