

## DESCRIPTION

### The perfect fusion of elegant and safe

The Lite Folio Case for iPhone 12 and iPhone 12 PRO is an elegant and safe accessory. This folio case is made of simil leather and has an inner slot to store a credit card or ID card. Its standing mode allows to play, read and enjoy multimedia content in a very comfortable way.

### Book aperture design

The Lite Folio Case has a lid that keeps the smartphones screen protected all the time, while the inner cover ensures an extra protection for the corners and edges. It incorporates an inner slot to carry a credit card or ID card.

### Standing mode

The standing mode is perfect to play, read and enjoy multimedia content with a comfortable angle of view.

### Ultra-thin

The Lite Folio Case is ultra-thin. It keeps the smartphone protected without adding it any weight or volume.
