

DESCRIPTION

Wake full of energy both you and your smartphone... and dance! Because WUAD (Wake Up And Dance) is not only an alarm and charger, it is also an FM radio, Bluetooth speaker and it also incorporates a subwoofer for a surround sound.

Start your day dancing

WUAD wakes you up with the music of your favorite station or with an alarm, whatever you want! It has a built-in subwoofer so you can enjoy powerful and immersive sound.

Fast wireless charging for Apple and Android

WUAD alarm clock has a wireless fast charger (Apple and Android). Fast wireless charging charges devices up to 1.4 times faster than standard wireless charging. A Qi compatible device is needed in order to get wireless charge.

When charging Qi compatible devices that do not support fast charging, the charger will adapt the charge to the standard speed (5W).

Bluetooth speaker

It can be connected to any device with Bluetooth, like your mobile, and then get a powerful 6W speaker. You can also control the music playback from your Smartphone, Tablet, etc.

Double alarm

Program 2 different alarms, depending on the day. For example: a regular alarm for weekdays and another for the weekend.

FM Radio

Tune in to your favorite radio stations and wake up to them every day, and with the highest audio quality. It incorporates a 2.5 mm antenna to extend wherever you want. It is recommended, near the window. In addition, it has an AUX port, to connect wired headphones.

Qi compatible devices

The wireless charger is compatible with all Qi-enabled devices. It is possible to verify that the terminal is enabled with fast charging wireless technology in the user manual or by consulting the supplier. The compatible devices include (list updated 21/05):
