

DESCRIPTION

Always travel with music

The Go&Play Travel wireless stereo headphones have a lightweight and comfortable design, to travel with you anywhere you go. Their bright colors and synthetic leather covered ear pads make possible to enjoy an immersive sound experience with style.

Foldable design

These wireless headphones have a foldable design, for you to carry them without taking much space. You can take them anywhere you want to go.

Forget about cables

Let your music go with you in your travelling and your everyday activities, without any cable tangling. Turn the headphones on, pair them with your smartphone via Bluetooth and control your music and phone calls with the incorporated buttons.

Up to 6 hours of music

The Go&Play Travel headphones offer a wireless freedom, along with a high quality sound for 6 hours, with only 2 hours charge.
