

## DESCRIPTION

Eco Speak is much more than just a wireless portable speaker. It not only plays up to 4 hours of music wherever and whenever you want, but it's also made of wood and it's more respectful with the environment.

### Made of wood

The Eco Speak wireless speaker is 50% wood, a natural and biodegradable material...

### Up to 4 hours of music

With its 400 mAh battery, Eco Speak plays up to 4 hours of music. Thanks to its portable size and the included strap, you will be able to enjoy your favorite music whenever and wherever you want.

### True Wireless Stereo function

With the True Wireless Stereo mode you will be able to connect a second Eco Speak to create a stereo ecosystem made up of two channels: left and right. Enjoy your music with twice the power.

### Plastic-free packaging

The packaging that contains the Eco Speak is recyclable and 100% plastic-free.
