

DESCRIPTION

Kubic Box is a wireless, splashproof, portable speaker. It not only plays up to 4 hours of music wherever and whenever you want, but it also has an integrated microphone, so you will be able to control phone calls.

Up to 4 hours of music

With its 300 mAh battery, Kubic Box plays up to 4 hours of music. Thanks to its portable size and the included strap, you will be able to enjoy your favorite music whenever and wherever you want.

IPX5 Protection

The Kubic Box speaker has a IPX5 protection and it's splashproof.

True Wireless Stereo function

With the True Wireless Stereo mode you will be able to connect a second Kubic Box to create a stereo ecosystem made up of two channels: left and right. Enjoy your music with twice the power.

Micro SD card compatible

The Kubic Box speaker has a micro SD card slot. Just insert the micro SD card into the card slot so that your favorite music starts to play automatically.
