

DESCRIPTION

Executive hands-free headset with up to 15 hours of battery life. With a simple and elegant design and Bluetooth 5.1 it is an ideal tool for work calls.

15 hours of autonomy

Great battery life, Executive can hold up to 15 hours of talk time. Perfect to take anywhere without worrying about battery life.

Multifunction button

Thanks to the built-in multifunction button, it is possible to answer calls and control the playlist with a single touch.

Ergonomic and light

With a sleek ergonomic design, it fits snugly in the ear for hours of comfortable wear. Weighs only 9 grams, making it extraordinarily lightweight.

Voice control

By activating the voice control it is possible to talk to the personal assistant (Google Assistant or Siri) without taking the cell phone out of the pocket.
