

DESCRIPTION

Take your audio experience to the next level with the Ksix Noise Cancel 2 Wireless Earphones. Listen to your favourite playlist while doing your favourite activity and enjoy excellent sound quality. Plus, they feature active noise cancellation so nothing gets in the way of your call. They come with 3 sizes of ear cushions for you to choose the perfect fit and enjoy maximum comfort and stability in your ears. An incredibly user-friendly connection system and a battery life of over 24 hours for maximum efficiency and comfort of use. They have got it all!

Active noise cancellation

Let nothing get in the way of your call. The Ksix Noise Cancel 2 Earphones feature an active noise cancellation system that will allow your caller to hear nothing but you. This system will intelligently identify every word and filter out background noise so that your voice is heard clearly even in the noisiest environments.

Up to 7 hours of uninterrupted use

Because nothing can stop you. Enjoy up to 7 hours of uninterrupted listening. Charge the Ksix Noise Cancel 2 Earphones case with the included USB-C cable and benefit from up to 24 hours of additional battery life - take them with you anywhere you go and forget about running out of battery!

Optimal sound quality and built-in microphone

Submerge yourself in your music thanks to high quality sound complemented by low latency and a wide frequency range. Enjoy crystal clear sound for all your songs, videos and calls. In addition, the Ksix Noise Cancel 2 Earphones integrate a powerful microphone so you can make hands-free calls and provide optimal sound to our interlocutors.

Manage your music and calls with just a tap

Discover endless possibilities with the Ksix Noise Cancel 2 Earphones. They feature a convenient, simple and efficient music management system that allows you to play and stop the song, skip to the next or previous one and select the listening mode that suits you best. And if that wasn't enough, you can also manage incoming calls or ask the voice assistant for anything you need. Thanks to the touch panel incorporated in both earphones, a light tap on the surface of your earbud is all it takes to discover all the functions available to you.

Ready in a flash

An incredibly simple connection and pairing system that makes connecting the Ksix Noise Cancel 2 Earphones a breeze. No need to download any app to pair the earphones with your smartphone: it's as easy as switching on the Bluetooth connection on your device, opening the charging case, putting on the earphones and... you're good to go!

Ergonomic and minimalist design

Made to fit you. Thanks to their minimalist design and elegant white finish, they will match all your outfits and adapt to any situation. These earphones are completely ergonomic thanks to their light weight, their shape adapted to the ear and the included silicone ear cushions: choose between the three different sizes

to find the ideal one for you and ensure maximum comfort: they will never fall out of your ear again and you will forget that you are wearing them at all!
