

DESCRIPTION

This 5.0000 mAh external battery is going to become your best ally to charge your devices away from home. Not only does it feature 1 USB-A to 1 USB-C port, but it also includes the latest MagSafe compatible magnetic charging technology for iPhone 12 and later models. Enjoy ultra fast charging thanks to its Power Delivery and Quick Charge technologies and its 20 W power. Includes USB-C to USB-A cable.

Magnetism in its purest form

With this external battery you can charge your smartphone without cables thanks to its magnetic charging technology compatible with MagSafe for iPhone. The perfect ally for those who want to charge their smartphone comfortably wherever they go.

Ultra fast charging

Charge your smartphone at full speed thanks to its Power Delivery and Quick Charge technologies and its 20 W power. Its 5000 mAh capacity will allow you to charge a smartphone more than 1,6 times and wireless earphones up to 10,1 times*.

*Test conducted with an iPhone 12 mini and AirPods 3. Figures may vary depending on handset and battery capacity.

Multiple devices at once

This powerbank allows you to charge up to 3 devices simultaneously thanks to its USB-C port, its USB-A port and its magnetic base compatible with iPhone 12 and later models. The box includes a USB-A to USB-C cable.

Charge your powerbank simultaneously

The simultaneous charging of this external battery will allow you to charge it while charging other devices. This powerbank fully charges in as little as 2 hours, enough time so you'll never run out of battery.

Compact and elegant design

This external battery has a slim, minimalist and super light design. Take it with you wherever you want in a pocket, bag or backpack thanks to its compact size of only 6,3 x 1,7 x 10,4 cm.
