

## DESCRIPTION

A compact charger to carry with you anywhere you go. Its 2A power will provide faster charging for your phone, camera or even your tablet. It is CE and RoHS certified, guaranteeing protection against overheating, overvoltage and short circuits. All this in a small pocket charger with a fun design inspired by the colours of nature - discover the white model inspired by wild mushrooms!

### Compatible with iPhone and Android

Get to know this universal charger from Ksix and benefit from its wide compatibility. Specially designed for Android devices, it will allow you to charge your Galaxy Note, Galaxy S, Honor, Nokia, LG and other models, as well as some iOS models (iPhone 6, 6s, 6S Plus, 6 Plus, 7 and 7 Plus).

### Compact, lightweight and durable

A charger that fits in any pocket. Thanks to its light weight and small size, it is the ideal choice for use at home, while travelling or in the office. Its flame-retardant casing features high-quality components for maximum safety and wear resistance, and its white finish, inspired by wild mushrooms, gives it a fun and youthful design.

### CE and RoHS certified

The CE and RoHS certifications demonstrate the quality of our products through compliance with applicable European Community regulations and commitment to the 200/95/EC directive on the Restriction of Certain Hazardous Substances in Electrical and Electronic Equipment. A reliable guarantee against overheating, overvoltage and short circuits.
