KSIX 10W wall charger, USB-A + 1 m USB-A to Micro-USB cable, 1 m, Black

DESCRIPTION

Discover the ideal bundle to keep all your devices charged. It includes a 10 W USB-A wall charger and a USB-A to Micro-USB cable with a length of 1 metre. These two accessories are the perfect choice for those looking to charge their devices quickly and conveniently.

Two in one

The charging bundle includes a USB-A wall charger and a USB-A to Micro-USB cable with a length of 1 metre. On the one hand, the charger provides a power of up to 10 W, ensuring a safe and fast charge. On the other hand, the cable not only fulfils the function of a charging accessory, but also facilitates the synchronisation of devices and the fast transfer of files of all kinds, thanks to its data transfer speed of up to 480 Mbps.

Multidevice compatibility

The cable included in the bundle features a Micro-USB charging connector, which means it is compatible with a variety of devices that feature this connector, such as smartphones, tablets, powerbanks and more. A single pack to conveniently charge a wide variety of devices.

Style and functionality go hand in hand

Both the charger and the cable included in this charging pack feature a minimalist black design that fits any style and situation. Plus, the one metre length of the cable makes it easy to charge comfortably without having to worry about charging distance.
