

DESCRIPTION

Our most revolutionary smartwatch is back, and it's stronger than ever. With its stunning design and incredible fitness and health monitoring features, the Urban 3 offers an outstanding use experience. Are you ready to make the streets yours?

Designed to go further

This watch is the best choice for sports fans. Stopwatch, 10 sport modes, motion reminder, pedometer... it's impossible not to be unstoppable with this watch.

Your health matters

And the Urban 3 knows it. Monitor your heart rate, blood pressure, blood oxygen and sleep easily from your wrist. Use the APP to improve the tracking.

As unique as you

This watch always goes the extra mile. Customize it to your liking thanks to its themes or download the ones you like the most from its online library. Choosing the theme of your Urban 3 according to your mood or time of year is now possible.

Get lost to find yourself

The Urban 3 and your smartphone will become inseparable. Its anti-lost function allows the smartwatch to vibrate and ring when disconnected from the smartphone. In addition, it is able to beep your smartphone to make it easier to find. No more drama!

Cheers!

Get your best looks ready to slay. Thanks to the Urban 3's remote shutter, you can trigger your smartphone camera with a simple touch. Just place your smartphone, step away, strike a pose, and shoot!

Interchangeable straps

The Urban3 gives you the possibility to change your style depending on the day. Its interchangeable strap, compatible with Apple Watch bands, will offer you endless different combinations. Get the trendiest smartwatch of the moment and set the trend wherever you go.

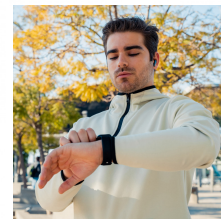

Product information

Smartwatch case: 44 mm high x 39 mm wide x 13 mm thick. Material: zinc alloy

Smartwatch display: 1,69" IPS Full Touch, dimensions 35 mm high x 30 mm wide. Material: G+F High end + tempered glass

Smartwatch strap: 26,8 cm long (including smartwatch case) x 22 mm wide. Material: silicone. Interchangeable straps available on our website, compatible with Apple Watch 42/44/49mm

Wrist closure range: The size of the Urban3 straps is standard offering a range of closure from 5.5cm to 7cm diameter of the user's wrist. Not recommended for people with very small wrists, as this would hinder the calculation of health data as the watch would not be well attached to the wrist.
