Ksix TrueBuds3 wireless earphones, 3 + 7 h autonomy, Touch control, Calls, Voice assistants, Black

DESCRIPTION

Life will never be the same. The minimalist TrueBuds3 include the latest True Wireless technology and a compact charging case so you can charge them wherever and whenever you want. With these headphones, the music will follow you wherever you go.

Simply stunning

The minimalist design of the TrueBuds3 is well thought out. Their compact size is ideal for storing them anywhere and taking your music wherever you go. Plus, they're so light and comfortable, you'll feel like you're not even wearing them.

Innovation is one touch away

Thanks to TrueBuds3 touch technology, control is in your hand. Manage incoming calls, browse your music and activate Siri just by touching the surface of the headphones.

10+ hours of partying

The TrueBuds3 and its charging case make a great package. Enjoy more than 10 hours of music (3h + 7h)and charge your headphones wherever you are - nothing can stop you!

Bluetooth 5.0

TrueBuds3 earphones use the latest Bluetooth technology to connect to your device in no time at all. It's never been easier or faster.
