

DESCRIPTION

You won't want to take them off. Our Satellite wireless earbuds combine comfort, design and innovation to offer you an unprecedented audio experience. Say "hello" to the new Satellite that will be you everywhere you go!

A design from another galaxy

Its design is simple on the outside, but has great strength on the inside. Its interior light gives it a futuristic and modern finish that will leave you frozen. In addition, they have a compact size so you can keep them wherever you want.

Maximum ergonomics

Satellite wireless earbuds couldn't be better suited to you. The different sized ear cushions adapt to all types of ears to ensure maximum comfort and prevent them from falling out.

Non-stop music

The music never stops with these earbuds. They have a battery life of up to 5 hours and, thanks to their charging case, you can keep an additional 15 hours of playback in your pocket. Everything under control!

Tactile surface

Buttons are a thing of the past. From managing your music to answering and rejecting calls, the Satellite's touch surface lets you do everything. There's nothing they can't handle.
