

DESCRIPTION

With the HALLEY earphones you will feel attraction from the first moment. Their innovative magnetic earphone pick-up system, which works with magnets, protects and charges the earphones with a simple movement. They also offer up to 24 hours of uninterrupted music!

A solution from another planet

HALLEY earphones are here to break with the status quo thanks to their magnetic earphone pick-up. A system of magnets that connects your earphones to the charge immediately. With just one movement, they will be safe and in automatic charging mode.

More autonomy, more freedom

With 4 hours of battery life and an extra 20 hours in the charging case, you can spend a whole day listening to music, podcasts or handling calls!

Sound that carries you

HALLEY is much more than design innovation. These state-of-the-art earphones offer the best in audio. Travel through the bass and treble of your favourite songs, feeling the clarity and quality of sound.

Your fingers have control

Touch control offers all the functionalities you need most in your day-to-day life. Take and make calls and manage your music from the HALLEY touch surface and let your fingers set the pace of your day.

A spatial design

Designed to amaze, these innovative wireless earphones feature a tempered glass casing that gives them that special, spacey character. Plus, their minimalist, cushion-free design ensures maximum comfort for your ears.
