Contact Pack Transparent Cover + 9h Tempered Glass Screen Protector For Galaxy S20 Plus

DESCRIPTION

The Contact Pack includes a Contact Transparent cover and a Contact Extreme screen Protector. The Flex Contact Cover is made of transparent TPU. It is lightweight and has an anti-slip texture that improves the grip of the phone. It protects the cellphone from accidental bumps and scratches. Its flexibility makes it easy to put on and remove. It is designed to allow access to all connections, cameras, and ports for the cellphone. The Extreme Contact Screen Protector features 9H level resistance, the maximum on the Mohs scale. It has high sensitivity and transparency. Its 0.3 mm thickness ensures high sensitivity to touch while maintaining all the benefits of the screen. It absorbs impacts and is resistant to shocks and falls. It also provides anti-breakage and scratch protection for the screen. Contact is a brand from Atlantis Internacional. It has a complete range of accessories for mobile devices presented in modern packaging at the most competitive price. Contact Flex Cover TPU technical specifications Flex Contact Cover Transparent Anti-slip texture Protection against accidental bumps and scratches Very easy to put on and take off Access to smartphone cameras, buttons, and ports Material: flexible TPU Contact Extreme Screen Protector technical specifications Extreme Contact Screen Protector Tempered glass with 9H resistance, the maximum of the Mohs scale High touch screen sensitivity Scratch protection Protection from falls Ultrathin: 0.3 mm thickness 1 screen protector unit Attention Once the protector is fully or

partially put on, it is advisable not to take it off.
