Product description:

The Ksix Extreme 2.5D Screen Protector is made of high-quality Japanese Asahi glass. Its resistance is level 9H, the maximum on the Mohs scale. It adds 4 hours of tempering, which translates into greater durability.

It has high sensitivity and transparency. Its 0.3 mm thickness ensures a great touch sensitivity while maintaining all the benefits of the screen. It absorbs impacts and is resistant to shocks and falls, in addition to providing protection against breakage and scratch protection for the screen. It also has an oleophobic treatment, so it includes a layer of protection that repels grease, dirt, and liquids.

Ksix is a brand from Atlantis Internacional. It has the largest collection of accessories designed to make the most of mobile devices. Each product is presented in a modern and attractive packaging, which stands out on any shelf. It offers personalized customer service and complete after-sales service.

Ksix Made for LG is an exclusive accessory collection licensed by LG for its smartphones.
