

## DESCRIPTION

This case compatible with Samsung Galaxy A23 is made of TPU and transparent material is very flexible and fingerprint-free. It stands up to all circumstances and the most stressful days. Due to its transparency, the design of your smartphone will always be present and in the foreground.

### **Goodbye to scratches and scuffs**

We know that this is a valued advantage when choosing a case. Thanks to its highly resistant TPU material, you won't have to worry about the inevitable damage caused by daily use.

### **Transparent and strong**

This product has been designed to follow the trend without losing simplicity. Thanks to its 2 mm thick design and the fact that it is 100% transparent, your smartphone will always look its best.

### **Wireless charging always**

This product adapts to the convenience of wireless charging. Forget about unnecessary cables. Its thickness is so thin that you won't have difficulties with your smartphone's sensor when charging with a wireless charging dock.
