

## DESCRIPTION

The Extreme Contact Screen Protector features 9H level resistance, the maximum on the Mohs scale. It has high sensitivity and transparency. Its 0.3 mm thickness ensures high sensitivity to touch while maintaining all the benefits of the screen. It absorbs impacts and is resistant to shocks and falls. It also provides anti-breakage and scratch protection for the screen. Contact is a brand from Atlantis Internacional. It has a complete range of accessories for mobile devices presented in a modern packaging at the most competitive price.

Attention Once the protector is fully or partially put on, it is advisable not to take it off. This may cause the breakage of itself.
