

DESCRIPTION

The perfect bundle to keep all your Apple devices powered up has arrived. It consists of a 12 W USB-A wall charger and a 1-metre-long USB-A to Lightning cable with Made for iPhone (MFI) certification. Get this bundle and charge all your Apple devices with a Lightning port in no time.

Made for iPhone certified

The charge bundle is Made for iPhone / iPad certified. This badge means that this accessory has been designed to connect to iPhone and iPad Lightning models and has been certified by the developer to meet Apple's performance standards. With this charger and cable bundle you can charge your Apple devices quickly and safely.

The perfect combination

On the one hand, the wall charger in the bundle offers up to 12 watts of power so you can charge your Apple devices with a Lightning port at full speed. On the other hand, the 1-metre-long USB-A to Lightning cable not only serves as a charging accessory, but also lets you sync devices and transfer files of all kinds quickly thanks to its 480 Mbps data transfer rate.

Multidevice compatibility

This Made for iPhone certified charge bundle ensures full compatibility with all Apple devices with a Lightning port. From iPhones to iPads, AirPods and more, this single bundle is the perfect solution to charge a variety of devices with ease and efficiency.
