

## DESCRIPTION

The MagCharge charger for iPhone 12 and later is the most innovative solution for a safe and MagSafe compatible charging, thanks to its perfectly aligned magnets that allow the best wireless charging. It offers up to 15 W of power so you can have your phone ready in no time. It comes with a 1-metre USB-C cable for you to connect it to a wall charger.

### Wireless charging for iPhone 12 and later

With the MagCharge charger from Contact you can charge your iPhone wirelessly with up to 15 W of power. It is very easy to use, just place it in the magnetic circle on the back of the phone and its magnets will automatically lock into place.

### Charge and enjoy

The MagCharge's magnetic fit makes it ideal for watching movies or taking part in video conferences. It is perfectly attached to the phone and gives it much more stability for use while charging. In addition, the metre-long built-in USB-C cable gives you extra convenience when using it.
