

DESCRIPTION

The MagCharge charger for iPhone 12 and later is the most innovative solution for safe charging, thanks to its perfectly aligned magnets that allow the best wireless charge. This pack includes a 20W wall charger.

Easy and convenient wireless charging for iPhone 12 and later

Charge the iPhone quickly, without cables, and with up to 15W of power. It is only necessary to place the back of the mobile in the magnetic circle and its magnets will be fixed automatically. Compatible with iPhone 12, 12 Mini, 12 Pro, 12 Pro Max and the iPhone 13 series, iPhone 14 and later.

Charge and enjoy

MagCharge's magnetic adjustment makes it an ideal instrument for watching movies or video conferences. It remains perfectly attached to the mobile and provides much more stability, in order to use it while charging.

Ultra fast charge

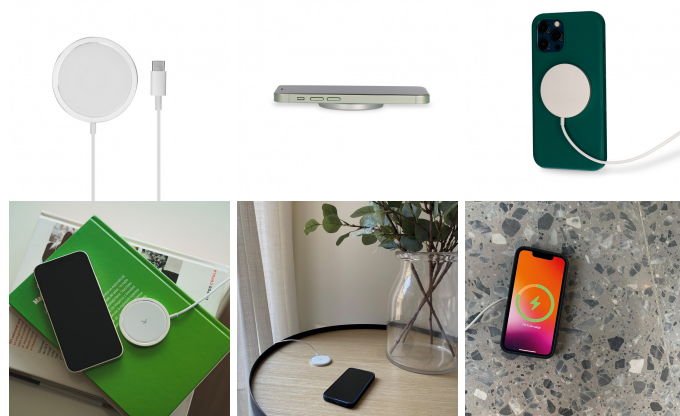

Its charging power is 15W (12 with iPhone 12 Mini).

Charger with Power Delivery

The pack includes a charger with Power Delivery 3.0 with USB-C port.
