

DESCRIPTION

Even the darkness corner of the closet will be always well-lit. This product is perfect for closet with low light, as the sink cabinet or the pantry.

Switch system

Thanks to the switch incorporated, the hinge LED light will turn on only when the door is open. Once you close it, the door will press the switch and the light will turn off.

Easy installation

It can be fastened to the surface thanks to the screws included in the pack or to the hinge with its own screw directly. After installing it, the hinge LED light will illuminate inside the closet to find everything you need easily without requiring a flashlight.

Warm and cozy ambient

These hinge LED lights come with 3 LEDs that offer a warm white light with a color temperature of 3000K. This way, this product is perfect to illuminate inside all your closets.
