

## DESCRIPTION

True Wireless NC sport in-ear and waterproof headphones

**21 hours of playback (7 hours in the headphones/14 hours in the case)**

Extended battery life allows you to use it longer or train much harder without having to stop to recharge the battery.

**Active noise cancellation with Smart Ambient**

Block out what you don't want to hear or listen to what you do want to hear. Smart Ambient technology lets you run safely down the street or chat with friends while you train.

**Ear cushions for a secure fit**

Choose from three ear cushions to find the perfect, stable and comfortable fit.
