

DESCRIPTION

Basic training kit consisting of dumbbells and plates of various weights. They are modular and allow for fully customizing your equipment. They are compatible with the FED sensor, that can monitor your fitness sessions with the App. In addition, it will provide you with great exercise ideas to keep improving.

Possibility to be connected

They can be used in addition to the FED sensor. Thanks to its APP, it allows a complete training monitoring, and it offers a wide variety of online exercises.

Multifunctional

Dumbbells and barbells with weights can be built.

Ergonomic

The bars are covered with foam for a firm and comfortable grip.

Non-Slip

Includes ABS anti-slip grip and anti-slip twist locks.
