

DESCRIPTION

Specially designed case for MagCharge charger, from KSIX's Soft Silicone collection.

Its magnetic ring allows a total attachment to the MagCharge wireless charger and so it provides greater stability.

Of course, all features and benefits of Soft Silicone covers are provided.

Ultra-soft touch

Its exterior finishing is ultra-soft and gives an impressive sense of touch.

Its interior is covered in microfiber, to add an extra protection to the smartphone.

Semi-rigid case

It has a semi-rigid structure and it protrudes enough to keep the back camera lens protected.

Anti-fingerprints and easy to clean

Its finishing is anti-fingerprints. In case it gets stained, its very easy to clean.
