Semi-Rigid Case for iPhone 14 Pro, Magnetic Ring, MagSafe Wireless Charging Compatible, Anti-Slip, Black, Packaging Free

DESCRIPTION

The Soft Silicone Case compatible with iPhone 14 Pro features a semi-rigid, impact and scratch-proof casing. It is easy to take off and put on. Its soft and elegant design will make you want to wear it all the time.

Compatible with Apple MagSafe technology

If you're looking for a complete and convenient experience, this is the case for you. A case compatible with Apple's MagSafe technology, which charges the iPhone 12, iPhone 13 and later.

To complete our MagCharge range, we offer a type of magnetic and wireless charger that is specific to this technology: the MagCharge charger. Its perfectly aligned magnets allow the best type of charging for your iPhone.

Charge your iPhone in the fastest way and in the shortest possible time. Just place your case on our MagCharge magnetic charger and you're ready to go. When you least expect it, your iPhone will be fully charged and ready to accompany you in your everyday life.

What's important is inside

Its microfibre inner material and non-slip outer material will give you the perfect contrast of textures.

The exterior of the Soft Silicone Case with its characteristic edges will prevent it from slipping easily between your fingers or on any surface. If you are one of those people who are looking for a case with a soft touch finish, this is the option for you. Not only will you enjoy its texture, but you'll also notice that you'll get a better grip on your hand.

On the inside, its softness will protect the back of your smartphone.

Clean your case in seconds

We think of products that make your life easier. That's why this product is easy to clean in no time thanks to its non-porous surface. With a simple wipe, your cover will be clean in no time.
