

DESCRIPTION

This case compatible with Samsung Galaxy S23 Ultra is made of TPU and transparent material is very flexible and fingerprint-free. It stands up to all circumstances and the most stressful days. Due to its transparency, the design of your smartphone will always be present and in the foreground.

Goodbye to scratches and scuffs

We know that this is a valued advantage when choosing a case. Thanks to its highly resistant TPU material, you won't have to worry about the inevitable damage caused by daily use.

Transparent and strong

This product has been designed to follow the trend without losing simplicity. Thanks to its 2 mm thick design and the fact that it is 100% transparent, your smartphone will always look its best.

Wireless charging always

This product adapts to the convenience of wireless charging. Forget about unnecessary cables. Its thickness is so thin that you won't have difficulties with your smartphone's sensor when charging with a wireless charging dock.
