

## DESCRIPTION

Charge all your devices wherever you go with this ultra slim powerbank. Thanks to its 10.000 mAh capacity you will be able to charge all kinds of compatible devices several times. It has a 10 W power that will allow you to charge your devices quickly. In addition, it features 2 USB-A output ports so that you can charge 2 devices at the same time.

### Large charging capacity

This powerbank has a 10.000 mAh capacity that will allow you to charge a smartphone up to 3,1 times, a tablet up to 1,3 times and wireless headphones up to 20,3 times\*. So that you can have all your devices charged wherever you go.

\*Tests conducted with an iPhone 12 mini, an iPad mini 6 2021 and AirPods 3. Figures may vary depending on the terminal and battery capacity.

### Charge your devices quickly

This powerbank offers a charging power of up to 10 W that will allow you to charge your devices quickly and safely. It is compatible with any type of device that incorporates a USB-C input.

### Incorporates simultaneous charging

Thanks to its 2 USB-A outputs you will be able to charge 2 devices simultaneously, even while the powerbank itself is charging through its Micro-USB input. The powerbank charges up to full in just 5 hours and 30 minutes. It incorporates 4 LED indicators so that you have control over the battery charge level and do not experience any unexpected events. In addition, it includes a 26 cm USB-A to USB-C cable.

### Lithium polymer battery

The Ultra Slim powerbank's battery is composed of lithium polymer, which makes it more durable and safer. This material makes the battery much lighter in weight and compact in size without sacrificing its high energy capacity.

### Minimalist and easy-to-carry design

This powerbank has a minimalist design in black. Thanks to its compact size of 13,5 x 6,8 x 1,6 cm and its ultra light weight of only 220 g you can carry it in any pocket, purse or backpack wherever you go.
