

DESCRIPTION

The Contact 1 metre USB-C to Lightning charge and data cable is the perfect choice for those who value speed and convenience when charging and syncing their devices. It supports Power Delivery fast charging technology, offers up to 27 W and data transfer speeds of up to 480 Mbps, ensuring that all your Apple devices are always charged and synced.

Charge and sync your devices quickly

With the Contact USB-C to Lightning cable, your Apple devices will be ready in the blink of an eye. With its compatibility with Power Delivery charging technology and up to 27 W of power, you will enjoy fast and efficient charging for all your Apple devices with Lightning port. And with data transfer speeds of up to 480 Mbps, you will be able to transfer photos, videos and files quickly.

For Apple devices

The cable features a Lightning connector, making it the perfect charging and syncing accessory for Apple devices with this port. You can charge everything: from smartphones, to tablets, earphones and any Apple device that features a Lightning charging port.

Comfort and durability go hand in hand

?

With its minimalist design in white and a length of 1 metre, this cable will allow you to charge and sync your Apple devices in total comfort while you use them, without uncomfortable tethers. In addition, it is made of PVC, a material that guarantees durability and resistance. A cable designed to withstand intensive daily use without problems.
