

DESCRIPTION

Enjoy your music with style

Enjoy an authentic and clear sound wearing an elegant pair of earphones with a perfect fit.

Pure sound and elegant style

The Go&Play Sky earphones present an elegant design in aluminum alloy, a high quality material, resistant and lightweight, for a purer and sharper sound with no distortion.

Choose your style

The sober combination of carefully selected colors provides the final touch for a classic and at the same time modern look. Choose among black, red or gold.

Perfect isolating

Their ergonomic angled design and interchangeable ear tips assure a comfortable fit and perfect isolating to enjoy your music.

Microphone and remote control incorporated

The Go&Play Sky incorporated microphone and remote control allow you to control your music and phone calls without taking your smartphone out of your pocket.
