

DESCRIPTION

Phone case and wallet protects the smartphone and stores credit cards, ID cards and bills. The standing function improves the user experience. It's recommended for multimedia, videos and audio interaction. The hidden magnetic clasp system improves the protection of the device. The inner polycarbonate cradle adds additional safety while allowing full access to all phone functions without having to remove the case. Ksix is a brand from Atlantis Internacional. It has the largest collection of accessories designed to make the most of mobile devices. Each product is presented in modern and attractive packaging, which stands out on any shelf. It offers personalized customer services and complete after-sales service.
