

DESCRIPTION

The Lost Mary BM600 is a disposable vaping device with a sleek and square design that stands out for its comfort and quality in the materials used, as well as its eye-catching colors. This distinctive aesthetic has made them recognized worldwide.

This brand offers a wide variety of amazing flavors, masterfully crafted and full of taste. Their innovative combinations are sure to delight you. From fresh and fruity options to flavors inspired by beverages, these high-quality e-liquids will surprise your taste buds, while the device delivers spectacular performance.

Each Elfbar Lost Mary BM600 pod offers up to 600 puffs, with 2ml of delicious e-liquid and a 2% nicotine content. Additionally, it features a long-lasting battery and a coil that produces abundant vapor with each puff throughout its usage.

Since the innovation of disposable vaping, Lost Mary has taken their product to the next level, offering a vaping experience of the highest quality. From its longevity to the creation of unique flavors, this pod ranks among the best in the world. Its iconic and square design makes it an ideal companion to carry with you wherever you go.

The flavor combinations have been carefully crafted to offer a unique line of blends that will leave you amazed. You can find everything from smooth blends of fruity flavors to more tropical options, all with the perfect intensity and an ideal amount of vapor to enjoy with every puff.
