

DESCRIPTION

Give your smartwatch a unique touch with our original universal interchangeable straps! Our straps are designed to be compatible with a wide variety of 22mm wide models, such as the KSIX Core, Explorer, Compass, Olympo or Titanium models. Now you can change the look of your smartwatch in seconds and match it to your style and occasion.

Variety of styles

Choose from a wide variety of styles, colours and materials to express your personality and tailor your smartwatch to every occasion.

Durable Construction:

All our bands are made from high quality materials, ensuring exceptional durability and resistance to everyday wear and tear. They are also easy to clean and keep in excellent condition.

Easy Interchangeability:

Changing belts has never been easier. Our innovative exchange system allows you to change them in seconds, without the need for additional tools.
