

DESCRIPTION

Say goodbye to long waits: with the Contact 30W charger, your devices will always be ready to go. Its power, combined with Power Delivery 3.0 and Quick Charge 3.0 technologies, ensures ultra-fast charging without harming your battery. Thanks to its USB-C port and universal compatibility, you can charge everything from your iPhone® or Samsung® to tablets, headphones, handheld consoles and more. All in a compact, lightweight, minimalist design that fits easily in any pocket or bag.

Universal USB-C compatibility

The 30W USB-C port makes this charger a real all-rounder. Charge smartphones from brands like iPhone® and Samsung®, tablets, headphones, e-readers, power banks and handheld consoles like the Nintendo Switch® — all with a single charger. The perfect solution for travel, office or home: one device that covers all your charging needs.

Ultra-fast power with Power Delivery 3.0

Reach up to 50% battery in just 25 minutes thanks to Power Delivery 3.0. With a Maximum power of 30W, it adjusts the energy your device needs for a safe and efficient charge. Plus, it protects your battery by preventing overheating and unnecessary charging, extending its lifespan.

Quick Charge 3.0: extra speed when you need it

When every minute counts, Quick Charge 3.0 speeds up charging with up to 18W of power. Perfect for giving your smartphone a quick boost when you're short on time. QC 3.0 technology intelligently regulates voltage, preventing damage and optimising energy use.

Compact design for everyday use

Powerful and practical. Measuring just 45.5 x 28.2 x 57mm and weighing only 41.8g, it fits easily in any pocket or bag. Its white finish and durable PC + ABS materials give it an elegant, minimalist look with great durability. A charger that combines style, lightness and efficiency to always be by your side.
