KSIX USB-C to USB-C KSIX 60W charge and data cable, Magnetic, Braided, 1 m, White

DESCRIPTION

The KSIX 60 W USB-C to USB-C cable offers fast charging, durability and universal compatibility. Its magnetic, braided design makes it strong and easy to store, perfect to take with you anywhere. With 60 W of power and Power Delivery 2.0 technology, you can quickly charge smartphones, tablets and even lightweight laptops. It also features reinforced connectors and smooth data transfer to keep up with your everyday needs.

Magnetic design and durable braided finish

Forget tangled cables thanks to its magnetic system, which allows you to roll it up in seconds. The braided cover makes it highly resistant to wear, while the aluminium alloy connector housings ensure extra durability. Flexible, soft to the touch and built to withstand daily bends and pulls, this cable is made to stay with you wherever you go.

60 W power for ultra-fast charging

Stop wasting time waiting for your devices to charge. With 60 W of power and 3 amps of current, this cable guarantees fast and efficient charging for smartphones, tablets and lightweight laptops. Its Power Delivery 2.0 compatibility ensures that each device receives the right amount of power, providing maximum speed with complete safety.

Universal USB-C connectors

One cable for everything you need. With its 1-metre USB-C to USB-C ports, it offers universal compatibility to charge Android® smartphones, iPhone®, tablets, headphones and many other devices. Its length is ideal for use at home, in the office or on the go, always delivering stable performance.

Fast and reliable data transfer

More than just charging, this cable also allows you to transfer data efficiently. Move photos, videos, music or documents in seconds with speeds of up to 480 Mbps. You don't have to choose between charging or transferring files: the KSIX 60 W cable gives you both in one!
