KSIX Curved Extreme 3d Protector Tempered Glass 9h With Edge For Huawei Mate 20 Pro Black (1 Unit)

DESCRIPTION

The Extreme Curved 3D Contact Screen Protector features 9H level resistance, the maximum on the Mohs scale. It is designed specifically for smartphones that have a curved screen. It has high sensitivity and transparency. Its 0.3 mm thickness ensures high sensitivity to touch while maintaining all the benefits of the screen. It absorbs impacts and is resistant to shocks and falls. It also provides anti-breakage and scratch protection for the screen. Contact is a brand from Atlantis Internacional. It has a complete range of accessories for mobile devices presented in a modern packaging at the most competitive price.
