KSIX Metal Flex Cover For Galaxy S10 Metallic Grey

DESCRIPTION

The Metal Flex KSIX Cover is made of premium quality, highly durable TPU. It is strong, lightweight, and its soft, non-slip texture improves the grip of the phone. It is transparent on the back and has a metallic finish at the edges. It protects your smartphone from bumps and scratches. Thanks to its flexibility, it is very easy to put on and remove. Its design allows for access to all connections, cameras, and ports for your cellphone. KSIX is a brand from Atlantis Internacional. It has the largest collection of accessories designed to make the most of mobile devices. Each product is presented in modern and attractive packaging, which stands out on any shelf. It offers personalized customer services and complete after-sales service. Technical specifications KSIX Metal Flex Cover Strong and lightweight Combines two finishes: transparent on the back and metallic on the edges Smooth, non-slip texture Impact and scratch protection Very easy to put on and take off Access to smartphone cameras, buttons, and ports Material: premium quality, durable and flexible TPU
